HOW DOES THIS QUOTE MAKE YOU FEEL?

“It is that we met, like this river, drawn
from two sources, offered up our flaws,
our sedimental selves.”

Extract from Kayo Chingonyi’s poem ‘Turbid Tyne’, 2017

WHAT CAN YOU DO?

In what way are you inspired by nature?

In what way can nature encourage us to embrace some of our flaws? (For example, camping with no mirrors, no connection to social media, getting muddy whilst walking and exploring, choosing practicality over style).

Try creating something inspired by nature – use whatever you have and feel comfortable with. You could write a poem, compose a beat, make a small painting or drawing, or something more unusual!
