HOW DOES THIS QUOTE MAKE YOU FEEL?

“The natural world should be for everyone, and Wildlife Trusts are working hard to make sure our beautiful reserves can be accessed by all.”

Quote from The Wildlife Trusts UK

WHAT CAN YOU DO?

How can we make the outdoors accessible for everyone?

Even if you do not have any access needs, when you next go out into the landscape, think about if your route would be accessible for everyone...

What could be changed in this route? How could those changes help someone with access needs enjoy the landscapes that are on our doorsteps?
