HOW DOES THIS QUOTE MAKE YOU FEEL?

“Nature is so often said to have a calming effect, but it is often forgotten that this narrative only exists because those who have narrated it feel this way. The views of the minority that feel uncomfortable in this paradise have generally been ignored. I speak from experience. I would walk into a reserve and not once see a person that looked as I did.”

Quote from Dawood Qureshi in BBC Wildlife magazine, February 2022
